MEMORANDUM FOR Commander CONUS Replacement Center (CRC), Fort Bliss, Texas 79916

SUBJECT: Exception(s) to Policy Request for **SFC Doe, John M.**

1. The purpose of this memorandum is to certify that **SFC John Doe** has been verified complete for the following training, equipment or certification items listed below and will not be attending corresponding training or equipment issuing events with the CRC:

- a.
- b.
- c.

List of items or trainings that are requested for exemption "can decline pro mask and JSLIST but it must be stated specifically in the ETP unless it is not authorized based OCONUS custom limitations"

2. This exception to policy is IAW PPG updated 9 August 2013, Chapter 10, ACOM/ASCC/DRU Commanders, at their discretion, may approve an exception to CRC processing for all Soldiers, DOD civilians and Contractors within their command who meet all the following criteria below. It is the ACOM Commander's responsibility to ensure personnel that are directly deploying to theater meet the requirements, IAW this policy, before granting an exception to CRC deployment processing.

3. This exception to policy is also IAW PPG updated 9 August 2013, Chapter 10, The first O-6 or civilian equivalent in the rating chain may verify the training status on the pre-certifiable requirements by submitting the TSIRT Pre-certification Memorandum (instructions for completing the memo are included). The Contracting Officer's Representative (COR) will verify the training status on the pre-certifiable requirements for contractors. All are encouraged to have pre-certification complete prior to arrival at the CRC. If not complete, personal time will be limited. Individuals who arrive at the CRCs without pre-certification will receive the required training at the CRC.

4. The point of contact for this memorandum is the undersigned at **123-45-6789** or **iam.thecommander@mail.mil**.
