

POLYPHARMACY MEDICATIONS

(This card is used to facilitate instruction, questions to ask – answers ETC... If the back is required – that’s OK – but try to limit to one card for reference)

Poly-pharmacy Medications

1. True or False: Poly-pharmacy is a term used to describe a Soldier treated for multiple conditions with a variety of meds prescribed by several health care providers?

- True.

2. True or False: Only Leaders and Commanders have roles to identify and communicate “at risk” behaviors that maybe related to the use of poly-pharmacy meds?

- False; Soldiers, Leaders, and Commander all have roles!

3. True or False: It is okay to share your prescription meds with friends and co-workers if they appear sick and need them?

- False; do not share meds with others or take someone else’s prescription meds because they affect each Soldier differently!
