

SECURITY CLEARANCE STATEMENT OF UNDERSTANDING

I understand that Department of the Army civilian personnel in positions requiring a security clearance must:

- a. possess and maintain the appropriate level of security clearance while in such a position, or
- b. be able to obtain and maintain an interim or final security clearance at the appropriate level.

I further understand that if I am unable to obtain and/or maintain an interim or final security clearance at the appropriate level for the position I hold I will be removed from my current position with the Department of the Army.
